

Explanatory Notes to the Scheme of Classification of Services

Preface

The Scheme of Classification of Services adopted for the purposes of GST is a modified version of the United Nations Central Product Classification.

2. The Explanatory notes for the said Scheme of Classification of Services is based on the explanatory notes to the UNCPC, and as recommended by the committee constituted for the purpose, is annexed.

3. The explanatory notes indicate the scope and coverage of the heading, groups and service codes of the Scheme of Classification of Services. These may be used by the assessee and the tax administration as a guiding tool for classification of services. However, it may be noted that where a service is capable of differential treatment for any purpose based on its description, the most specific description shall be preferred over a more general description.

Explanatory Notes to the Scheme of Classification of Services

9954 Construction services:

This heading includes:

- i. General construction services for all complete constructions.
- ii. Specialized construction services i.e., services related to parts of buildings or civil engineering works, rather than the complete construction object.

99541 General Construction services of buildings.

995411 General Construction services of single dwelling or multi dwelling or multi-storied residential buildings

This service code includes

- i. Construction services of single dwelling or multi dwelling residential buildings.
- ii. Construction services of single storied or multi storied residential buildings.

995412 General Construction services of other residential buildings

This service code includes

- i. construction services of residential buildings for communities, including residences for the elderly, students, children and other social groups such as retirement homes, hostels, fraternity homes, orphanages, homeless shelters etc

995413 General construction services of industrial buildings

This service code includes construction services of

- i. buildings used for production and assembly activities of industrial establishments
- ii. factories, plants and workshops
- iii. agricultural buildings, including silos and other storage facilities

This service code does not include:

- construction services of mining facilities, cf. 995425
- construction services of power plants, cf. 995426

995414 General construction services of commercial buildings

This service code includes construction services of commercial or administrative buildings such as:

- i. buildings used primarily in the wholesale and retail trades;
- ii. shopping centres, shopping malls, department stores, detached shops and boutiques, indoor markets etc.;
- iii. warehouses;
- iv. exhibition halls;
- v. office buildings and bank buildings;
- vi. air, rail or road transport terminals;
- vii. parking garages and petrol and service stations

995415 General construction services of other non-residential buildings

This service code includes construction services for:

- i. public entertainment buildings such as cinemas, theatres, concert halls, dance halls and nightclubs;
- ii. hotels, motels, inns, hostels and similar buildings;
- iii. restaurants;
- iv. educational buildings such as schools, colleges, universities, libraries, archives and museums;
- v. health-related buildings such as hospitals, clinics and sanatoria, including veterinary clinics;
- vi. indoor sports or recreation installations (ice rinks, gymnasias, indoor tennis courts, general- purpose sports halls, boat sheds, boxing rings, etc.);
- vii. convention and congress centres;
- viii. religious buildings;
- ix. prison buildings; law courts, parliament buildings;
- x. non-residential farm buildings;
- xi. communication buildings (radio and television broadcast buildings, telephone exchange buildings, telecommunications centres etc.);

This service code does not include construction services for outdoor sports and recreation facilities, cf. 995427

995416 General construction services of other buildings n.e.c

This service code includes construction of other buildings not elsewhere specifically classified.

995419 Services involving repair, alterations, additions, replacements, renovation, maintenance or remodeling of the buildings covered above.

This service code includes services involving repair, alterations, additions, replacements, renovation, maintenance or remodeling of the buildings covered above.

99542 General construction services of civil engineering works

995421 General construction services of highways, streets, roads, railways, airfield runways, bridges and tunnels

This service code includes construction services

- i. for formations of highways, including elevated highways, roads, streets, other vehicular and pedestrian ways and open car parks;
- ii. footpaths, traffic-calming structures, cycle tracks, etc;
- iii. vehicular and pedestrian underpasses and overpasses;
- iv. construction or restoration of road surface and parking lots with asphalt, concrete, etc;
- v. installation services of crash barriers, low separating walls, traffic signs, etc.;
- vi. creation, maintenance and signposting of tracks and paths;
- vii. painting services of markings on roads, parking lots and similar surfaces;
- viii. railway roadbeds for long-line and commuter rails, street tramways and underground or elevated urban rapid transit systems;
- ix. railway electrification structures including laying services of ballast and rails;
- x. installation services of switch gear, points and crossings;
- xi. construction services of control and safety systems for railway tracks;
- xii. construction services of funicular railways and cable car systems;
- xiii. construction services for airfield runways, including taxiways, aprons and related airport structures other than buildings;
- xiv. construction of bridges, highway, road and railway tunnels and tunnels for underground railway traffic

995422 General construction services of harbours, waterways, dams, water mains and lines, irrigation and other waterworks

This service code includes construction services for construction of

- i. aqueducts, water conduits and similar waterways designed to convey water for the purpose of water supply, except pipelines;
- ii. harbour bottoms and harbour channels, breakwaters, quays, piers, jetties, docks, wharves and similar structures;
- iii. riverworks and canal construction for water transport traffic;
- iv. locks, floodgates, sluices, lifts, dry docks, slipways, barrages and other hydromechanical structures;
- v. dredging services, rock and silt removal and other water-associated construction services;
- vi. underwater work (by divers, frogmen or other techniques) and various hydraulic engineering services; construction services for construction of dams and similar water-retaining structures;
- vii. embankments for coastal and other waterside areas;
- viii. irrigation and flood control waterworks.

This service code does not include:

- laying of submarine cables, cf.995423
- pile driving services, cf. 995451

995423 General construction services of long-distance underground/overland/submarine pipelines, communication and electric

power lines (cables); pumping stations and related works; transformer stations and related works

This service code includes construction of

- i. long-distance overland, underground and submarine pipelines for the conveyance of petroleum products, gas, water or other products;
- ii. pumping stations and similar related structures;
- iii. long-distance overland, underground or submarine telecommunication cables & transmission lines;
- iv. long-distance high tension electric power transmission lines (cables);
- v. long-distance electricity power lines for railways;
- vi. transformer stations, pylons etc

995425 General construction services of local pipelines and electricity & communication cables and related works

This service code includes construction services for

- i. local gas pipelines and water and sewer mains;
- ii. local hot-water and steam pipelines;
- iii. local electricity transmission cables;
- iv. local communication transmission cables, including television cables;
- v. ancillary works such as: transformer stations and substations for distribution within local boundaries;
- vi. transmission towers including antennas;
- vii. sewage disposal plants, water treatment and purification plants etc.

995426 General construction services of mines and industrial plants

This service code includes construction services

- i. for mining and related facilities, other than buildings, such as mine loading and discharging stations, winding-shafts and towers, tunnels and drifts associated with mining operations
- ii. for manufacturing facilities of basic chemicals, compounds, pharmaceuticals and other chemicals
- iii. for manufacturing facilities such as blast furnaces and coke ovens, iron foundries and specialized facilities for manufacturing, not elsewhere classified

This service code does not include:

construction services of industrial buildings, cf. 995413

995427 General construction services of power plants and its related infrastructure

This service code includes construction services for power plants and their related constructions including plants and equipment for nuclear-powered generating stations

995428 General construction services of outdoor sport and recreation facilities

This service code includes construction services for

- i. grounds for sports generally played in open air such as football, baseball, rugby, track and field, tennis, car or bicycle races and horse races
- ii. recreation installations, e.g., golf courses, beach installations, marinas for pleasure boats
- iii. public parks and gardens, zoological and botanical gardens

995429 Construction services of other civil engineering works n.e.c

This service code includes construction services for

- i. military engineering works, e.g., forts, blockhouses, bunkers, firing ranges, military testing centres, etc;
- ii. satellite launching sites;
- iii. waste dumps and waste incinerators;
- iv. plants for treating and processing of hazardous/non-hazardous materials;
- v. Other civil engineering works, n.e.c.

995429 Services involving repair, alterations, additions, replacements, renovation, maintenance or remodeling of the constructions covered above.

This service code includes services involving repair, alterations, additions, replacements, renovation, maintenance or remodeling of the constructions covered above.

99543 Site preparation services

995431 Demolition services

This service code includes

- i. wrecking and demolition services of buildings and other structures;
- ii. wrecking and demolition services of streets and highways

995432 Site formation and clearance services

This service code includes

- i. preparation services of lands, including agricultural lands;
- ii. preparation services to make sites ready for subsequent construction work, including blasting and rock removal work services;
- iii. site clearance, including clearance of undergrowth;
- iv. soil stabilization;

- v. test drilling and boring and core extraction services for construction, geophysical, geological or similar purposes;
- vi. horizontal drilling for the passage of cables or drainpipes;
- vii. digging of trenches for site drainage; draining of land etc

This service code does not include:

- demolition services, cf. 995431
- excavating and earthmoving services, cf. 995433
- water well drilling, cf. 995434
- tilling of fields preparatory to planting, cf. 998611
- test drilling services incidental to oil and gas extraction, cf. 998621
- test drilling services incidental to mining (except oil and gas extraction), cf. 998622

995433 Excavating and earthmoving services

This service code includes

- i. large-scale earthwork, excavation, sloping and earthmoving services involving making of embankments or cuttings, prior to highway construction (roads, motorways, railways, etc.);
- ii. digging of trenches, for utilities, urban drainage, various roadworks, etc.;
- iii. digging of conventional ditches for various constructions;
- iv. land recreation work services;
- v. contaminated top soil stripping work services;
- vi. other excavating and earthmoving work services

This service code does not include

- i. site formation and clearance services, cf. 54320;
- ii. foundation services, cf. 54512

995434 Water well drilling and septic system installation services

This service code includes

- i. special trade construction services involving drilling or digging water wells, installation services of water well pumps and well piping systems;
- ii. installation services of septic systems, including aerobic septic systems, evaporation-transpiration (ET) septic systems, greywater systems, holding tank septic systems, pressure dosing septic systems, septic disinfection systems, chemical, composting, incinerating and waterless toilets;
- iii. construction services of leach fields or drainfields

995435 Other Site Preparation Services n.e.c

This service code includes other site preparation services not elsewhere specifically classified.

995439 Services involving repair, alterations, additions, replacements, renovation, maintenance or remodeling of the site preparations above.

This service code includes services involving repair, alterations, additions, replacements, maintenance of the site preparations covered above.

99544 Assembly and erection of prefabricated constructions:

995441 Installation, assembly and erection services of prefabricated buildings

995442 Installation, assembly and erection services of other prefabricated structures and constructions

This service code does not include:

- i. erection services of prefabricated steel parts for buildings and other structures, cf. 995455

995443 Installation services of all types of street furniture (e.g., bus shelters, benches, telephone booths, public toilets, etc.)

995449 Services involving repair, alterations, additions, replacements, maintenance of the constructions covered above.

This service code includes services involving repair, alterations, additions, replacements, maintenance of the constructions covered above

99545 Special trade construction services

995451 Pile driving and foundation services

This service code includes

- i. services of installing of piles of natural or manufactured materials by impact hammering, vibrating or pushing into the earth;
- ii. services related to foundation works.

This service code does not include

- i. excavation work services, cf. 995433;
- ii. concrete work services, cf. 995454

995452 Building framing & Roof framing services

This service code includes

- i. services of erecting frames for buildings, made from wood or metal;
- ii. platform framing; balloon framing;
- iii. services of erecting wall frames;
- iv. services of erecting floor and ceiling frames;
- v. construction services involving the installation of roof frames; stick framing, truss framing etc.

995453 Roofing and waterproofing services

This service code includes

- i. construction services involving the installation of any kind of roof coverings;
- ii. construction services of guttering and spouting, roof shingling and metal roofing;
- iii. waterproofing services on flat roofs and roof terraces;
- iv. waterproofing services on the outside of constructions and other subterranean structures; damp proofing.

This service code does not include:

- insulation work services, cf. 995465

995454 Concrete services

This service code includes

- i. services of erection of reinforced concrete frame, requiring specialized skills or equipment because of its size or the method used;
- ii. construction services of domes and thin shells in concrete;
- iii. special trade construction services involving steel bending and welding for reinforced concreting on construction projects;
- iv. casting of concrete in formwork and other services generally making use of concrete (general foundations, base courses, raft foundations, stanchions, floors, etc.);
- v. services involving the construction of formwork and reinforcement;
- vi. consolidation of foundations

This service code does not include

- i. Construction services involving the paving of streets, highways and public sidewalks, cf. 995421;
- ii. construction services of bridges, elevated highways and tunnels, cf. 995421;
- iii. foundation services, cf. 995451

995455 Structural steel erection services

This service code includes

- i. special trade construction services of steel frameworks;
- ii. erection services of prefabricated (but not self-manufactured), structural steel components for buildings and other structures such as bridges, overhead cranes or electricity transmission towers; erection of curtain walls;
- iii. associated welding work services.

995456 Masonry services

This service code includes bricklaying, block laying, stone setting and other masonry work services

This service code does not include:

- concrete work services, cf. 995454
- interior fitting decoration work services, cf. 99547

995457 Scaffolding services

This service code includes scaffold and work-platform erecting and dismantling work, including renting of scaffolding and work platforms.

995458 Other special trade construction services

This service code includes

- i. Construction services of factory chimneys;
- ii. Construction services of refractory linings for furnaces, etc.;
- iii. Construction services of ornamental fire places;
- iv. Other special trade construction services not elsewhere classified, e.g., moving of buildings

995459 Services involving repair, alterations, additions, replacements, maintenance of the constructions covered above.

This service code includes services involving repair, alterations, additions, replacements, maintenance of the works covered above.

99546 Installation services

995461 Electrical installation services including electrical wiring & fitting services, fire alarm installation services, burglar alarm installation services

This service code includes

- i. special trade installation services involving the installation of basic electrical wiring circuits or fittings in buildings and other construction projects;
- ii. electrical wiring and fitting services for emergency power supply systems;
- iii. electrical services arising from the installation of appliances;
- iv. installation services of meters; installation services of fire alarm systems;
- v. installation services of burglar alarm systems at the construction site;
- vi. installation services of all types of residential antenna including satellite antenna;
- vii. installation services of cable television lines within a building; installation services of lightning conductors;
- viii. electrical installation services of telecommunications equipment;
- ix. electrical installation services of illumination and signalling systems for roads, railways, airports, harbours and similar premises;
- x. installation services of heavy electrical equipment;
- xi. installation services of telecommunications wiring, including of fibre optic cables;
- xii. other electrical installation services n.e.c.

995462 Water plumbing and drain laying services

This service code includes

- i. installation services involving primary hot- and cold-water piping systems (i.e. plumbing), including sprinkler installation;
- ii. installation services of fixed sanitary ware;
- iii. associated plumbing work services;
- iv. installation services of pressurized water supplies for firefighting (including fire plugs with hose and spout);
- v. construction services of connection to main sewers in streets or alleys;
- vi. placing of materials, construction and alteration of drains, beginning outside of a building, to its connection with the main sewer in the street, alley or other disposal terminal

995463 Heating, ventilation and air-conditioning equipment installation services

This service code includes

- i. installation services of heating equipment, including related pipe work, duct work and sheet metal services;
- ii. installation and maintenance of central heating control systems;
- iii. connection to the district heating system;
- iv. maintenance and repair services of domestic boilers and burners;
- v. installation services of ventilation, refrigeration or air-conditioning equipment for dwellings, computer centres, offices and shops, including related pipe work, duct work and sheet metal services;

995464 Gas fitting installation services

This service code includes

- i. installation services of parts and equipment for the supply or conduct of oxygen and other gases used in hospitals, homes etc;
- ii. connection of other gas-operated equipment;

995465 Insulation services

This service code includes

- i. installation services of weather-proofing thermal insulation in exterior wall cavities;
- ii. thermal insulation services of hot and chilled water pipes, boilers and duct runs;
- iii. sound insulation services;
- iv. fireproofing work services;

995466 Lift and escalator installation services

This service code includes installation services of lifts, escalators, travelators (moving sidewalks) etc

995468 Other installation services n.e.c.

This service code includes

- i. installation services of draperies and curtains;
- ii. installation services of blinds and awnings;
- iii. installation services of signs (luminous or not);
- iv. installation services, n.e.c., involving goods not regarded as part of the basic building structure;
- v. other installation services n.e.c.

995469 Services n.e.c involving repair, alterations, additions, replacements, renovation, maintenance or remodeling of the works covered above.

This service code includes services not elsewhere specifically classified, involving repair, alterations, additions, replacements, maintenance of the works covered above.

99547 Building completion and finishing services

995471 Glazing services

This service code includes

- i. installation services of glass cladding, mirror walls and other glass products;
- ii. closed-in work, such as window glass installation work services.

995472 Plastering services

This service code includes

- i. construction services of interior and exterior plaster or stucco and of lathing materials;
- ii. dry walling services involving the installation of wallboard, generally of gypsum.

995473 Painting services

This service code includes

- i. painting services (principally decorative) of building interiors and similar services (e.g., application of coatings, lacquer, etc.);
- ii. painting services of building exteriors (principally for protection);
- iii. painting services of railings, gratings, doors and window frames of buildings, etc;
- iv. painting services of other engineering structures;

- v. paint removal services

995474 Floor and wall tiling services

This service code includes

- i. construction services involving the laying or setting of ceramic, concrete or stone wall tiles, floor tiles and flagstones inside and outside of buildings and other structures;
- ii. decorative covering of exterior walls of buildings with ceramic materials, stone, brick, etc.

995475 Other floor laying, wall covering and wall papering services

This service code includes

- i. laying of carpeting, linoleum and other flexible floor coverings. Related finishing services are included;
- ii. laying services of wood floors and floor coverings, including parquet and other wood flooring. Related finishing services such as sanding, wax polishing, sealing, etc. are included;
- iii. hanging services of paper and other flexible wall coverings; wall paper removal services

995476 Joinery and carpentry services

This service code includes

- i. installation services of door and window frames and of doors, windows, shutters, slatted shutters, garage doors, etc., made of any kind of material;
- ii. armouring of outside doors and installation services of armoured doors;
- iii. installation services of fire doors;
- iv. installation services of movable partitions and false ceilings on metallic structures;
- v. installation services of verandas and conservatories for private houses;
- vi. installation services involving carpentry and joinery work with materials other than metals;
- vii. installation services of interior staircases, construction of wall cupboards, installation services of fitted kitchen units;
- viii. installation services of clapboard, panelling, etc.;
- ix. installation services of standard or custom fabricated sheet metal components;
- x. installation services of decorative iron or steel work or of ornamental or architectural metal work;
- xi. installation services of grilles covering radiators

995477 Fencing and railing services

This service code includes

- i. installation services of fences, railings and similar enclosures. The fences may be of different materials (wire, wood, steel, fibre glass) and may be used at

- various sites (courts, playgrounds, residential properties or industrial premises);
- ii. installation services of (metal) fire escape staircases

995478 Other building completion and finishing services n.e.c

This service code includes

- i. cleaning of outer walls by steam cleaning or sandblasting;
- ii. acoustic services involving the application of acoustic panels, tiles and other materials to interior walls and ceilings;
- iii. construction services of poured-in-place terrazzo and interior marble, granite or slate work;
- iv. general repair and maintenance services;
- v. building completion and finishing services n.e.c.

995479 Services n.e.c. involving repair, alterations, additions, replacements, maintenance of the works covered above.

This service code includes services not elsewhere specifically classified, involving repair, alterations, additions, replacements, maintenance of the works covered above.

9963 Accommodation, food and beverage services

99631 Accommodation services

This group includes accommodation services provided for the purposes of leisure or business or others.

996311 Room or unit accommodation services

This service code includes accommodation services consisting of rooms or units, with or without kitchens & with or without daily housekeeping services, provided by Hotels, INN, Guest houses, Clubs & other similar establishments on a single or multi occupancy basis, for purposes of leisure or business or others.

This service code does not include:

- accommodation services at recreational and vacation camps, cf. 996313
- accommodation services for students in student residences, cf. 996321
- accommodation services in workers hostels or camps, cf. 996322

996312 Camp site services

This service code includes provision of space for a recreational vehicle or tent, typically provided on a daily or weekly or other basis; provision of space under protective shelters or plain bivouac facilities for placing tents and/or sleeping bags; pandal or shamiana services provided for organizing an official, social or business function

996313 Recreational and vacation camp services

This service code includes provision of overnight accommodation, combined with food and recreational or training services in a combined package at a camp for adults, youth or children for which an all-inclusive fee is charged.

99632 Other accommodation services

This group includes accommodation services for persons for a longer period of time and also includes semi-permanent residence in boarding houses and residential clubs.

996321 Room or unit accommodation services for students in student residences

This service code includes room or unit accommodation services for students in student residences attached to schools and universities.

996322 Room or unit accommodation services provided hostels or camps or paying guests

This service code includes accommodation services for workers in worker's hostels or camps, usually on a short term or seasonal basis.

996329 Other room or unit accommodation services n.e.c.

This service code includes room or unit accommodation services for semi-permanent residents in rooming or boarding houses and residential clubs; sleeping car services etc.

99633 Food, edible preparations, alcoholic & non-alcoholic beverages serving services

996331 Services provided by Restaurants, Cafes and similar eating facilities including takeaway services, Room services and door delivery of food.

996332 Services provided by Hotels, INN, Guest House, Clubs etc including Room services, takeaway services and door delivery of food.

This service code includes services provided by Hotels, INN, Guest Houses, Clubs, bars and other similar establishments.

996333 Services provided in Canteens and other similar establishments

996334 Catering Services in Exhibition halls, Events, Marriage Halls and other outdoor/indoor functions.

996335 Catering services provided in trains, flights etc.

996336 Preparation and/or supply services of food, edible preparations, alcoholic & non-alcoholic beverages to airlines and other transportation operators

This service code includes food preparation and/or supply services based on contractual arrangements for airline companies and other transportation companies

996337 Other contract food services

This service code includes food preparation and/or supply services based on contractual arrangements with the customer, at institutional, governmental, commercial or industrial location/s specified by the customer other than for transportation companies, on an ongoing basis; food service concession services, i.e. the provision of operating services by operators of eating facilities such as canteens and cafeterias

996339 Other food, edible preparations, alcoholic & non-alcoholic beverages serving services n.e.c.

This service code includes services provided by refreshment stands, fish-and-chips stands, fast-food outlets without seating etc; services of ice-cream parlours and cake serving places; provision of meals and snacks prepared on the premises dispensed through vending machines; dining car services; mobile food services, i.e. preparing and serving food and beverages for immediate consumption from motorized vehicle or non-motorized carts

9964 Passenger transport services

99641 Local transport and sightseeing transportation services of passengers

996411 Local land transport services of passengers by railways, metro, monorail, bus, tramway, autos, three wheelers, scooters and other motor vehicles

This service code includes

- i. passenger transportation services by railway over pre-determined routes on a pre-determined schedule within the confines of a single city or group of contiguous cities, with service being available to all users;
- ii. services provided by urban mass transit railways (underground or elevated railway) including metro, monorail etc;
- iii. services provided by bus, tramway, trolley bus and similar transport vehicles; provision of services of urban and suburban passenger transport, using more than one mode of transport (including rail, land and water transportation); passenger transportation services over pre-determined routes on a pre-determined schedule within the confines of a single city or group of contiguous cities, for a specific segment of users, e.g., colleges or enterprises;
- iv. scheduled urban and suburban shuttle services, e.g., airport shuttles;
- v. transportation services of pupils by school bus between their homes and school and between schools, including in rural areas;

- vi. passenger transportation services by man- or animal-drawn vehicles or conveyances such as rickshaws and by pack animals;
- vii. transport of accompanying vehicles, luggage, animals and other items.

This service code doesn't include

- taxi services, cf. 996412
- non-scheduled airport shuttle services, cf. 996412
- chauffeur-driven hire car services, cf. 996412
- sightseeing road transportation, e.g., sightseeing-bus services, cf.996416

996412 Taxi services including radio taxi & other similar services

This service code includes

- i. passenger transportation services by motorized taxi within or between urban and suburban areas;
- ii. non-scheduled airport shuttle services. These services are generally rendered on a distance-travelled basis/ time basis and to a specific destination or to more than one destination. Connected reservation services are also included.
- iii. This service code also includes chauffeur-driven car-hire services; radio taxi services; services provided by taxi aggregators; car-pooling services.

996413 Non-scheduled local bus and coach charter services

This service code includes non-scheduled chauffeur-driven hired bus and motor coach services within urban and suburban areas, generally rendered on a time and distance basis and frequently involving transportation to more than one destination. Unlike renting of a bus, which gives the client full control, this service is typically provided on a pre-determined route and time-table.

This service code does not include:

- sight-seeing-bus services, cf. 996416
- renting of buses with driver, except chartering, cf. 996601

996414 Other land transportation services of passengers, n.e.c.

This service code includes

- i. cable-operated passenger transportation services, e.g., by funiculars, teleferics, ski lifts and similar services rendered on a scheduled basis;
- ii. Other scheduled passenger land transportation services by mechanized land vehicles, not elsewhere classified;
- iii. passenger transportation services by non-scheduled vehicles with driver, not elsewhere classified;
- iv. transport of accompanying luggage, animals and other items that may be carried by passengers

996415 Local water transport services of passengers

This service code includes

- i. passenger transportation services on rivers, on canals and on other inland waters by ferries, including hydrofoils and hovercraft, whether on a scheduled or non-scheduled basis;

- ii. inland water cruises that include transportation, accommodation, food services and other incidental services in an all-inclusive fare;
- iii. passenger transportation services on rivers, canals and other inland waters on a scheduled or non-scheduled basis by vessels other than ferries, cruise ships, sightseeing and excursion boats;
- iv. transportation services of accompanying vehicles, luggage, animals and other items;
- v. water taxis.

996416 Sightseeing transportation services

This service code includes sightseeing passenger rail, land, water or air transportation services.

996419 Other local transportation services of passengers n.e.c.

99642 Long-distance transport services of passengers

996421 Long-distance transport services of passengers through Rail network by Railways, Metro etc

This service code includes passenger transportation services provided through rail network by railways, Metro etc between non-contiguous cities/towns, regardless of the distance covered and the class used, with service being available to all users; transport of accompanying vehicles, luggage, animals and other items

996422 Long-distance transport services of passengers through Road by Bus, Car, non-scheduled long distance bus and coach services, stage carriage etc

This service code includes

- i. passenger transportation services between non-contiguous cities/towns over predetermined routes on a predetermined schedule by motor bus, tramway, trolley bus and similar transport vehicles, with service being available to all users or specific segment of users;
- ii. scheduled/non-scheduled interurban shuttle services, e.g., airport shuttles;
- iii. transportation services of passengers between urban and suburban areas or over long distances by chauffeur-driven hired bus and motor coaches, generally rendered on a time and distance basis and frequently involving transportation to more than one destination;
- iv. transport of accompanying luggage, animals and other items that may be carried along with passengers.

This service code does not include:

- renting of buses and coaches with operator, except chartering, cf. 996601

996423 Taxi services including radio taxi & other similar services

This service code includes passenger transportation services by motorized taxi between non-contiguous cities/towns or over long distances.

996424 Coastal and transoceanic (overseas) water transport services of passengers by Ferries, Cruise Ships etc

This service code includes

- iv. combined service of assessing an organization's computer requirements, advising on hardware and software acquisitions, developing system specification and putting the new system in place;
- v. computer systems integration services, i.e. an analysis of the client's current computer system, present and future computing requirements, the purchase of new equipment and software, and the integration of the new and old systems components to create a new integrated system;
- vi. software originals (i.e. a set of instructions that is to be used in a computing device in order to bring about a specific result), which can be protected and licensed as intellectual property

This service code does not include:

- service contracts where the design and development of a web page is bundled with the hosting of the web page, cf. 998315

- service contracts where the design and development of the application is bundled with the hosting and management of the application on an ongoing basis, cf. 998315
- service contracts where the design and development of a database is bundled with the ongoing management of the data holdings, cf. 998315
- services of day-to-day management of the client's network, cf. 998316
- wholesale and retail sale services of software, cf. 996111, 996211

998315 Hosting and information technology (IT) infrastructure provisioning services

This service code includes

- i. provision of information technology (IT) infrastructure (hardware, software and networks) to process data, host applications and host processes for a client; provision of the infrastructure to host a customer's website and related files in a location that provides fast, reliable connection to the Internet that may be limited to storage on a single server, in either shared or dedicated capacity, without the service provider managing or integrating software applications (Software hosted on the server is the client's responsibility and service level guarantees are standardized and limited in scope), a bundled service package that consists of the hosting and management of the website and related applications;
- ii. provision of leased software applications from a centralized, hosted, and managed computing environment with integration to the systems and infrastructure of the client (Frequently, consulting, customization and systems integration services are bundled with the hosting and management of the application), where the leased application is not customized and not integrated with other applications of the client (The application is usually accessed over the World Wide Web. A common example is office suite software applications.);
- iii. collocation services, i.e. the provision of rack space within a secured facility for the placement of servers and enterprise platforms (The service includes the space for the client's hardware and software, connection to the Internet or other communication networks, and routine monitoring of servers. Clients are responsible for the management of the operating system, hardware, and software);
- iv. data storage services, i.e. managing or administrating the storage and back-up management of data such as remote back-up services, storage, or hierarchical storage management(migration);
- v. data management services, i.e. on-going management and administration of data as an organizational resource (Services may include performing data modeling, data mobilization, data mapping/rationalization, data mining and system architecture.);
- vi. video and audio streaming services, i.e. sending audio and video data over the Internet or providing services associated with the storage, production (including encoding), and support of video and audio streaming over the Internet; other IT hosting or infrastructure provisioning services such as hosting client's application, processing client's data and computer time-share

Note: An important characteristic of this service is the promise of a secure and reliable site and Internet connections that can be quickly scaled to accommodate variations in traffic use. Frequently, consulting, customization and systems integration are part of the package. Applications are frequently e-commerce-related and enable on-line storefronts, shopping carts and catalogues with advanced and complex features such as order processing, fulfillment, procurement, invoicing, transaction processing, customer relations management and back-end database and data warehouse integration and migration services.

998316 IT infrastructure and network management services

This service code includes

- i. managing and monitoring a client's IT infrastructure including hardware, software and networks;
- ii. managing and monitoring communication networks and connected hardware to diagnose networking problems and gather capacity and usage statistics for the administration and fine-tuning of network traffic. These services also remotely manage security systems or provide security-related services-provision of day-to-day management and operation of a client's computer system

998319 Other information technology services n.e.c.

This service code includes

- i. coordination and supervision of resources in preparing, running and completing a project on behalf of the client;
- ii. project management services, which can involve budgeting, accounting and cost control, procurement, planning of time scales and other operating conditions, coordination of subcontractors' work, inspection and quality control, etc;
- iii. project management services that include management and office management services, with or without the provision of their own staff; other information technology services n.e.c.

This service code does not include:

- construction project management services, cf. 998339

99832 Architectural services, urban and land planning and landscape architectural services

998321 Architectural advisory services

This service code includes advisory and pre-design services; preparation of designs and construction documents; plans, studies and other advisory services related to the design of buildings; provision of advice, studies and reports on architectural matters; expert witness services in the field of architecture consisting in the provision of testimony before a court or administrative body, by a witness who, by virtue of experience, training, skill or knowledge of architecture, is recognized as

being qualified to render an informed opinion on matters relating to that field or subject

This service code does not include:

- provision of advice, studies and reports on architectural matters done in a bundle with other architectural services for a specific project, cf. according to the type of project under, 998322, 998323, 998324

998322 Architectural services for residential building projects

This service code includes architectural services for single-family residential projects and multi-family residential projects.

998323 Architectural services for non-residential building projects

This service code includes architectural services for office building projects, retail and restaurant projects, hotels and convention centres, health care projects, entertainment, recreational and cultural building projects, educational building projects, industrial building projects, transportation and distribution facility projects and other non-residential building projects

998324 Historical restoration architectural services

This service code includes architectural services that incorporate legal requirements to preserve or restore the historic character of a building

998325 Urban planning services

This service code includes

- i. development of plans concerning land use, site selection, control and utilization, road systems and servicing of land with a view to creating and maintaining systematic, coordinated urban development, such as comprehensive urban plans, community urban plans, element urban plans for specific amenities or objectives such as transportation, utilities, etc.; feasibility studies;
- ii. studies of environmental impact and economic assessments of urban development plans;
- iii. urban planning advisory services, such as expert witness, policy and programme evaluation

998326 Rural land planning services

This service code includes development of plans that describe the long-term objectives of rural areas for the development of infrastructure, housing, industry, commercial, recreational and other facilities; comprehensive plans covering a large geographical area, for a lengthy time period

998327 Project site master planning services

This service code includes providing plans for a construction site, showing the proposed location of buildings, roads, parking lots and other features, for residential

building projects, non-residential building projects. recreational and open-space projects etc.

998328 Landscape architectural services and advisory services

This service code includes

- i. architectural services concerned with the design of the landscape. Landscape architectural services include the provision of designs and construction documents, plans, studies and other services related to specific landscape projects;
- ii. landscape architecture services for residential building projects such as single-family residential projects, multi-family residential projects, residential subdivision projects;
- iii. landscape architecture services for non-residential building projects such as corporate building projects, hotels, convention centres, stadiums and arenas, educational building projects, health care, penal institutions, other non-residential building projects;
- iv. landscape architecture services for recreational and open-space projects such as city centres and public squares, non-building recreational facilities, parks and natural areas, transportation corridors, resorts, other recreational and open space projects;
- v. landscape architecture services related to preparing and modifying terrain such as land clearing and grading plans, drainage designs, erosion and sediment control designs, retaining wall designs, outdoor sprinkler system plans;
- vi. facilitating access to a site such as lighting plans, signage plans, trail and path plans, accessibility designs;
- vii. provision of advice, studies and reports on landscape architecture matters;
- viii. expert witness services in the field of landscape architecture consisting in the provision of testimony before a court or administrative body, by a witness who, by virtue of experience, training, skill or knowledge of landscape architecture, is recognized as being qualified to render an informed opinion on matters relating to that field or subject

Note: The architectural services may be provided in a bundle covering all stages of a building project, including the advisory, pre-design and design stages, or they may be provided individually.

99833 Engineering services

This group includes application of physical laws and principles in the design, development, and utilization of machines, materials, instruments, structures, processes, and systems. Services of this type involve the provision of designs, plans, and studies related to engineering projects.

998331 Engineering advisory services

This service code includes provision of advice to clients concerning engineering principles and methods, when performed independently of an engineering project, including policy analysis, regulatory studies and audits; provision of testimony by a

witness who, by virtue of experience, training, skill or knowledge of engineering, is recognized as being qualified to render an informed opinion on such matters; engineering investigation of a failed engineered system or structure to determine causal factors

This service code does not include:

- advice, studies, and reports performed in conjunction with a project, cf. based on the project type under 998332, 998333, 998334, 998335, 998336, 998337, 998338

998332 Engineering services for building projects

This service code includes

- the application of physical laws and principles of engineering in the design, development and utilization of machines, materials, instruments, structures, processes and systems for building projects like provision of designs, plans, and studies related to residential building projects, such as new and existing homes, row housing, apartments, etc., mixed-use buildings that are predominantly used for residential housing;
- provision of designs, plans, and studies related to new and existing commercial, public and institutional building projects, including mixed-use buildings that are predominantly used for commercial, public, or institutional purposes, such as office buildings, shopping centres, hotels and restaurants, service stations and warehouses, bus and truck terminals, hospitals, schools, churches, prisons, stadiums and arenas, libraries and museums; engineering advisory services that are related to specific residential, commercial, public or institutional building projects

This service code does not include:

- engineering advisory services not related to a specific project, cf. 998331

998333 Engineering services for industrial and manufacturing projects

This service code includes

- The application of physical laws and principles of engineering in the design, development and utilization of machines, materials, instruments, structures, processes and systems for industrial and manufacturing projects like engineering services related to industrial facilities and processes such as mining and metallurgical facilities such as mines, smelters, mills, mineral refineries, including integrated facility and process engineering projects; mining and metallurgical processes, such as mineral extraction, smelting, refining, metal forming; petroleum and petrochemical facilities such as oil and gas platforms, refineries, petrochemical plants, including integrated facility and process engineering projects; processes for the production of petroleum and petrochemicals, such as extraction, refining, formulation, mixing; microelectronics facilities and processes, such as those that produce microprocessors, silicon chips and wafers, microcircuits, and semiconductors; textile and clothing facilities and processes; iron and steel facilities and processes; other industrial and manufacturing facilities and processes, n.e.c.;
- Engineering services related to the design of industrial and manufactured products, such as industrial machinery such as agricultural, construction,

mining, metalworking, commercial and service industry, heating, ventilating and air-conditioning, power transmission machinery, electronic equipment such as computers and peripheral equipment, communications equipment, audio and video equipment, semiconductors and other electronic components, electrical equipment such as lighting, major and minor appliances and components thereof, transportation equipment such as motor vehicles, aircraft, trains, marine vessels, space vehicles, industrial and manufactured products not elsewhere classified

This service code does not include:

- research and development services in engineering, cf. 998112
- industrial design services, cf. 998391

998334 Engineering services for transportation projects

This service code includes the application of physical laws and principles of engineering in the design, development and utilization of machines, materials, instruments, structures, processes and systems for transportation infrastructure projects like engineering services (including provision of designs, plans, and studies) related to highways, roads and streets, including elevated highways used for motor vehicle traffic; bridges and tunnels; ancillary road transport facilities such as rest stops, weigh stations, toll booths; mass transit systems, such as light rail or subway systems; railways and related structures; railway bridges and tunnels; marine and inland ports; harbours, locks, canals, and dams primarily used for transportation purposes; airports, runways, hangars; other aviation facilities; space transportation projects; oil and gas transportation projects; other transportation projects n.e.c.

998335 Engineering services for power projects

This service code includes the application of physical laws and principles of engineering in the design, development and utilization of machines, materials, instruments, structures, processes and systems for electricity generation, transmission and distribution projects like engineering services related to facilities that generate electrical power from coal and other fossil-fuel energy such as oil and gas, nuclear energy, the energy in falling water, other energy, such as solar power, wind power, geothermal power including cogeneration facilities, engineering services related to overhead or underground electrical power transmission and distribution lines

998336 Engineering services for telecommunications and broadcasting projects

This service code includes the application of physical laws and principles of engineering in the design, development and utilization of machines, materials, instruments, structures, processes and systems for telecommunication and broadcasting projects like engineering services related to systems for the transmission of voice and data between network termination points by copper wire, fibre-optic cable, co-axial cable, and hybrid fibre-coax cable; engineering services related to systems for the transmission of voice, data and programming between network termination points by short-wave or microwave, such as wireless telephony systems, satellite radio systems, direct-broadcast satellite systems; engineering

services related to systems for the transmission of radio and television signals; engineering services related to systems for the transmission or distribution of voice, data or programming, not elsewhere classified

998337 Engineering services for waste management projects (hazardous and non-hazardous) including water, sewerage and drainage projects

This service code includes

1. the application of physical laws and principles of engineering in the design, development and utilization of machines, materials, instruments, structures, processes and systems for waste management projects like engineering services related to household garbage collection and disposal systems, such as recycling facilities, composting facilities, transfer stations, resource recovery facilities, landfill sites;
2. engineering services related to programmes for the collection, treatment, recycling, and disposal of industrial air, water and solid wastes, generally to a level such that the remaining waste stream can be safely released to the natural environment or ordinary municipal systems;
3. engineering services related to programmes for hazardous waste remediation, such as management of nuclear waste, chemical agent destruction, brownfield redevelopment, groundwater modeling, contaminated site remediation.

This service code also includes

1. the application of physical laws and principles of engineering in the design, development and utilization of machines, materials, instruments, structures, processes and systems for water treatment and distribution systems, sewer systems, sewage treatment plants and drainage projects like engineering services related to systems for the collection, distribution, treatment, and disposal of water such as drinking water distribution systems, pumping stations, reservoirs, water storage facilities, water transmission and distribution mains including dams used primarily for local drinking water distribution and desalination plants;
2. systems for storm water management, drainage and detention systems including dams used primarily for flood control;
3. systems for the collection, treatment, and disposal of waste water, except industrial waste water;
4. irrigation systems and water pipelines including dams primarily used for irrigation

998338 Engineering services for other projects n.e.c.

This service code includes the application of physical laws and principles of engineering in the design, development and utilization of machines, materials, instruments, structures, processes and systems for projects not elsewhere classified like engineering services related to outdoor sport and recreation facilities, natural gas and steam distribution projects, other utility projects n.e.c.; engineering services related to systems, processes, facilities or products not elsewhere classified including the provision of designs, plans and studies related to them

998339 Project management services for construction projects

This service code includes services of assuming overall responsibility for the successful completion of a construction project on behalf of a client, including organizing the financing and the design, requesting tenders, and performing management and control functions; project management services provided by engineers or architects

This service code does not include:

- general construction services, cf. 99541, 99542.

99834 Scientific and other technical services

998341 Geological and geophysical consulting services

This service code includes provision of advice, guidance and operational assistance concerning the location of mineral deposits, oil and gas fields and groundwater by studying the properties of the earth and rock formations and structures; provision of advice with regard to exploration and development of mineral, oil and natural gas properties, including pre-feasibility and feasibility studies; project evaluation services; evaluation of geological, geophysical and geochemical anomalies; surface geological mapping or surveying; providing information on subsurface earth formations by different methods such as seismographic, gravimetric, magnetometric methods & other subsurface surveying methods

This service code does not include

- test drilling and boring work, cf. 995432

998343 Mineral exploration and evaluation

This service code includes mineral exploration and evaluation information, obtained on own account basis

Note: This intellectual property product may be produced with the intent to sell or license the information to others.

998342 Surface surveying and map-making services

This service code includes gathering of information on the shape, position and/or boundaries of a portion of the earth's surface by different methods, including transit, photogrammetric and hydrographic surveying, for the purpose of preparing maps; collection of data by satellite; land surveying services (e.g., marking of property, boundary marking); preparation and revision of maps of all kinds (e.g., road, cadastral, topographic, planimetric, hydrographic), using the results of survey activities, other maps and other information sources

This service code does not include:

- publishing of maps, atlases and globes, cf. 998911

998345 Weather forecasting and meteorological services

This service code includes providing meteorological analysis of the atmosphere and predicting weather processes and weather conditions

998346 Technical testing and analysis services

This service code includes

1. testing and analysis of the chemical and biological properties of materials such as air, water, waste (municipal and industrial), fuels, metal, soil, minerals, food and chemicals;
2. testing and analysis in related scientific fields such as microbiology, biochemistry, bacteriology, etc.;
3. testing and analysis of physical properties such as strength, ductility, electrical conductivity or radioactivity of materials such as metals, plastics, textiles, woods, glass, concrete and other materials; tests for tension, hardness, impact resistance, fatigue resistance and high-temperature effects;
4. testing and analysis of the mechanical and electrical characteristics of complete machinery, motors, automobiles, tools, appliances, communication equipment and other equipment incorporating mechanical and electrical components. The results of the testing and analysis generally take the form of an assessment of the performance and behavioural characteristics of the object tested. Tests may be performed using models or mock-ups of ships, aircraft, dams, etc.;
5. periodical technical inspection of automobiles, motorcycles, buses, lorries, trucks and other road transport vehicles; testing and analysis of a technical or scientific nature that does not alter the object being tested;
6. radiographic, magnetic, and ultrasonic testing of machine parts and structures in order to identify defects. These tests are often conducted on site.;
7. radiological inspection of welds

This service code does not include:

- damage assessment services, cf. 997162
- assessment of damages on behalf of insurance companies, cf. 9971620
- medical and dental analyses and testing services, cf. 99931

998347 Certification of ships, aircraft, dams

This service code includes testing and analysis of a technical or scientific nature of ships, aircraft, dams, etc. using radiographic, magnetic, and ultrasonic testing and certifying them

998348 Certification and authentication of works of art

This service code includes testing and analysis of a technical or scientific nature of works of art using radiographic, magnetic, and ultrasonic testing and certifying them

998349 Other technical and scientific services n.e.c.

This service code includes all other technical testing and analysis services not elsewhere classified

99835 Veterinary services

998351 Veterinary services for pet animals

This service code includes animal and veterinary hospital and non-hospital medical, surgical and dental services delivered to pet animals. The services are aimed at curing, restoring and/or maintaining the health of the animal; hospital, laboratory and technical services for pet animals; provision of dietary recommendations for pet animals

998352 Veterinary services for livestock

This service code includes animal and veterinary hospital and non-hospital medical, surgical and dental services delivered to livestock. The services are aimed at curing, restoring and/or maintaining the health of the animal; hospital, laboratory and technical services for livestock; provision of dietary recommendations for livestock

This service code does not include:

- services related to animal husbandry such as artificial insemination, cf. 998612

998359 Other veterinary services

This service code includes animal and veterinary hospital and non-hospital medical, surgical and dental services delivered to animals other than pets or livestock (including zoo animals and animals raised for their fur production or other products). The services are aimed at curing, restoring and/or maintaining the health of the animal; hospital, laboratory and technical services for animals other than pets or livestock; provision of dietary recommendations for animals other than pets or livestock

This service code does not include:

- services related to animal husbandry such as artificial insemination, cf. 998612

99836 Advertising services and provision of advertising space or time

998361 Advertising services

This service code includes planning, concept development and execution of the full range of services for an advertising campaign, including creating the basic idea for an advertisement, writing the words and scenarios for advertisements, selection of media to be used, design of ads, illustrations, posters, etc., writing of scenarios for advertising movies, placement of advertisements in media; development and organization of direct marketing advertising campaigns, i.e. sending advertising and promotional messages directly to consumers through methods such as direct mail and telemarketing, rather than via mass media; aerial advertising services; delivery services of free samples and other advertising material; demonstration and presentation of advertising services at point of sale; sales promotion (if no orders are received)

This service code does not include:

- public relations services, cf. 998312
- separate placement of advertisements in media, cf. 998362
- separate market research services, cf. 99837
- separate photography services related to advertising, cf. 998382
- separate graphic design services for advertising, cf. 998391
- separate production of films for advertising, cf. 999612
- modeling agency services, cf. 998599
- advertising mailing services, cf. 998595

998362 Purchase or sale of advertising space or time, on commission

This service code includes sale or leasing of advertising time or space, on commission; services of media buying agencies, which buy media space or time on behalf of advertisers or advertising agencies

998363 Sale of advertising space in print media (except on commission)

This service code includes sale of advertising space in books, brochures, pamphlets, etc.; sale of advertising space in newspapers, journals and periodicals; sale of advertising space in postcards, timetables, forms, posters or other printed matter

998364 Sale of TV/radio advertising time (except on commission)

This service code includes sale of TV and radio advertising time

998365 Sale of Internet advertising space (except on commission)

This service code includes sale of Internet advertising space

998366 Sale of other advertising space or time (except on commission)

This service code includes:

- sale of advertising space on billboards, buildings, vehicles, etc.
- sale of advertising space in electronic media other than on-line
- sale of advertising space in video and motion pictures (product placement)
- sale of naming rights for tournaments, stadiums, etc.

99837 Market research and public opinion polling services

998371 Market research services

This service code includes market analysis, analysis of competition and the behaviour of consumers; use of research monographs, statistics, econometric models, surveys, etc.

998372 Public opinion polling services

This service code includes investigation services designed to secure information on public opinions regarding social, economic, political and other issues

This service code does not include:
- public relations services, cf. 998312

99838 Photography and videography and their processing services

998381 Portrait photography services

This service code includes services consisting of photographing persons or other subjects in studios or other locations such as clients' offices or homes. Generally included with these services is the development and printing of such pictures according to customer specifications such as passport or identification photographs; infant and child portraits; family or military portraits; studio fashion photos; corporate pictures.

998382 Advertising and related photography services

This service code includes services consisting of photographing merchandise, industrial products, fashion clothes and other apparel, machinery, buildings, persons and other subjects for use in public relations; photographic services for advertising displays, brochures, newspaper advertisements, catalogues

998383 Event photography and event videography services

This service code includes services consisting of photographing or videotaping live events, such as weddings, graduations, conventions, receptions, fashion shows, sports and news events or any other events of current interest.

This service code does not include:
- TV programme production services, cf. 999612

998384 Specialty photography services

This service code includes services consisting of photographing landscapes, structures and other surfaces from aircraft or helicopters; services consisting of photographing persons, objects or scenery using special apparatus and techniques. Examples of such services are underwater photography, medical and biological photography, photomicrography

This service code does not include:
- photogrammetric recordings and collection of data by satellites, cf. 998342
- services of press photographers and photojournalists, cf. 99844
- x-rays, scans and other medical imaging services, cf. 999319

998385 Restoration and retouching services of photography

This service code includes services consisting of old photograph restoration; retouching and other special photographic effects

998386 Photographic and videographic processing services

This service code includes developing of negatives and the printing of pictures for others according to customer specifications such as enlargement of negatives

or slides, black and white processing; colour printing of images from film or digital media; slide and negative duplicates, reprints, etc.; developing of film for both amateur photographers and commercial clients; preparing of photographic slides; copying of films; converting of photographs and films to other media

This service code does not include:

- motion picture film processing and post-production services, cf. 999613

998389 Other photography and videography and their processing services n.e.c.

This service code includes microfilming services

This service code does not include

- photocopying services, cf. 998595

99839 Other professional, technical and business services

998391 Specialty design services including interior design, fashion design, industrial design and other specialty design services

This service code includes

- planning and designing of interior spaces to meet the physical, aesthetic and functional needs of people; drawing up of designs for interior decorating; interior decorating, including dressing of windows and stalls;
- design services for industrial products, i.e. creating and developing designs and specifications that optimize the use, value and appearance of products, including the determination of the materials, construction, mechanism, shape, colour and surface finishes of the product, taking into consideration human characteristics and needs, safety, market appeal and efficiency in production, distribution, use and maintenance;
- creating designs and preparing patterns for a variety of products by harmonizing aesthetic considerations with technical and other requirements, such as furniture designs, aesthetic design for various other customer products, package design services, production of three-dimensional models, graphic design services, including graphic design for advertising purposes

This service code does not include:

- design as integral component of a full advertising service, cf. 998361
- engineering services for the design of industrial products, cf. 998333
- interior architectural services, i.e. involving fundamental alteration of rooms in addition to consideration of colour, material or functionality, cf. 998322, 998323, 998324

998392 Design originals

This service code includes original design concepts, produced on own account, industrial product designs; aesthetic designs; graphic designs

Note: This intellectual property product is typically produced with the intent to sell or license the information to others.

998393 Scientific and technical consulting services n.e.c.

This service code includes

- i. environmental assessments, i.e. objective studies undertaken for any one or more of the following purposes: identify whether or not environmental contamination exists at a particular site, and if so determined, the source, nature, and extent of the contamination; assess the risk to public safety and health from environmental contamination associated with a project that is proposed or in place;
- ii. evaluate the impact on the ecology or economy of environmental changes resulting from human or natural activities;
- iii. environmental audits, i.e. independent assessment of the current status of a party's compliance with applicable environmental requirements or of a party's environmental compliance policies, practices and controls;
- iv. site remediation planning services, i.e. preparation of plans for the abatement of environmental contamination, usually at a specific site, that incorporate such technical or other requirements as may be prescribed by law or regulation;
- v. evaluation of environmental studies, i.e. provision of analysis that explains the strengths or weaknesses of an environmental study and provides the basis for alternative judgments. The evaluation of environmental studies may also include an analysis of future responses to environmental regulators; natural resource management consulting, i.e. provision of objective information, advice, or guidance concerning the best practices for ecologically sustainable development and use of: land; forests; bodies of water; gas, oil, and mineral deposits; wildlife populations and other natural resources;
- vi. waste management consulting, i.e. provision of objective information, advice, or guidance concerning the best practices for the minimization, transport, handling, disposal and/or recycling of waste;
- vii. environmental policy development consulting, i.e. advising public or private institutions on the design, development and implementation of environmental statutes, regulations, standards, or practices;
- viii. other environmental consulting services n.e.c.;
- ix. scientific consulting services from mathematicians, statisticians, etc.;

998394 Original compilations of facts/information

This service code includes original compilations of facts or information (i.e. databases) organized for retrieval and consultation, including mailing lists. Note: These compilations are protectable in their presentation, but not their content.

This service code does not include
-mailing list compilation services, cf. 998595

998395 Translation and interpretation services

This service code includes services generally related to the translation of texts from one language to another, resulting in a written document; interpretation services

are generally concerned with stating orally in one language what has been stated orally in another language

998396 Trademarks and franchises

This service code includes original trademarks and franchises, i.e. the legally registered ownership of a certain brand name. Note: These products are produced on own account with the intent of deriving benefits from allowing others to use these trademarks or franchises.

This service code does not include:

- licensing services for the right to use trademarks and franchises, cf. 997336
- research and development work leading to a product or concept that is being trademarked, cf. 9981
- advisory services for the organization of marketing channels (including franchises), cf. 998311
- management services for rights to trademarks and franchises, cf. 998599

998399 Other professional, technical and business services, n.e.c.

This service code includes drafting services (detailed layouts, drawings, plans and illustrations of buildings, structures, systems or components from engineering and architectural specifications, done by architectural draftsmen or engineering technicians); compilation services of facts and information (i.e. databases), n.e.c.

9984 Telecommunications, broadcasting and information supply services

99841 Telephony and other telecommunications services

998411 Carrier services

This service code includes operating of wired or wireless facilities to originate, terminate or transit calls for other telecommunications service providers; charging for interconnection, settlement or termination of domestic or international calls; charging long-distance carriers for calls originating at a pay phone or within another carriers local network; charging for jointly used facilities such as pole attachments; charging for the exclusive use of circuits

This service code does not include carriage of Internet traffic by one ISP for another ISP, cf. 998421

998412 Fixed telephony services

This service code includes provision of access to and use of the public switched telephone network and IP networks for the transmission and switching of voice, data, and video from a fixed customer location or from public and semi-public coin and card operated phones; inbound and outbound telephony to and from national and international destinations; provision of Short Message Service (SMS) and Multimedia Messaging Service (MMS); provision of call management services (calling features) for use from a fixed customer location, such as call waiting, call

forwarding, caller identification, three-way calling, call display, call return, call screen, call blocking, automatic call-back, call answer, voice mail and voice menus

This service code does not include:

- provision of private line services, cf. 998414
- provision of a local loop to other telecommunications service providers, cf. 998411
- renting of terminal equipment, cf. 997316

998413 Mobile telecommunications services

This service code includes

- geophysical services, cf. 998341

99863 Support and operation services to electricity, gas and water distribution

998631 Support services to electricity transmission and distribution

This service code includes support services to electricity transmission and distribution services.

998632 Support services to gas distribution

This service code includes support services to gas distribution services.

998633 Support services to water distribution services

This service code includes support services to water distribution services and does not include:

- transport of water by trucks (without distribution), cf. 996511
- operation of irrigation systems for agricultural purposes, cf. 998611

998634 Support services to distribution services of steam, hot water and air-conditioning supply

This service code includes support services to distribution services of steam, hot water and air-conditioning supply through mains.

9987 Maintenance, repair and installation (except construction) services

99871 Maintenance and repair services of fabricated metal products, machinery and equipment

998711 Maintenance and repair services of fabricated metal products, except machinery and equipment

This service code includes maintenance and repair services of industrial boilers, steam generators, auxiliary plant for use with steam generators, condensers, economizers, superheaters, steam collectors and accumulators; nuclear reactors (boiler equipment only), steam generators, boiler equipment or various industrial systems of pipe work; shopping carts, materials handling equipment, etc., for institutions; parts for marine or power boilers; repair of metal tanks, reservoirs and containers; repair of steel shipping drums; mobile welding repair

This service code does not include:

- maintenance and repair services of domestic boilers and burners, cf. 995463
- chimney cleaning services, cf. 998536

998712 Maintenance and repair services of office and accounting machinery

This service code includes maintenance and repair services of office and accounting machinery and equipment including photocopying machines, calculating machines, typewriters and does not include work involving electrical wiring, cf. 995461

998713 Maintenance and repair services of computers and peripheral equipment

This service code includes maintenance and repair services of computers and computing machinery and peripheral equipment, such as desktop computers, laptop computers, hand-held computers (PDA's), dedicated computer terminals, computer servers, magnetic disk drives, flash drives and other storage devices, optical disk drives (CD-RW, CD-ROM, DVD-ROM, DVD-RW), printers, monitors, keyboards, internal and external computer modems, scanners, including bar code scanners, smart card readers, virtual reality helmets, computer projectors and computer terminals like automatic teller machines (ATM's); point-of-sale (POS) terminals, not mechanically operated

998714 Maintenance and repair of transport machinery and equipment

This service code includes

- i. maintenance and repair services of motor vehicles like cars, trucks, vans and buses, involving engine overhaul, motor tune-up, fuel system repair and adjustment, steering gear repair and adjustment, suspension repair, brake repair and adjustment, transmission repair and adjustment, exhaust system repair, cooling system repair including water hose replacement and other maintenance and repair;
- ii. scheduled factory-recommended and preventative maintenance inspection services;
- iii. electrical system repair and battery charging services for motor cars;
- iv. puncture repair services, wheel adjustment and balancing for motor cars;
- v. repair of inner tubes for car, truck and bus tyres; body repair and similar services for motor vehicles, involving door and lock repair, bumper straightening and repair, repainting, collision repair, window screen and window replacement and other automobile body repair;
- vi. cleaning and routine maintenance services, such as vehicle laundry and car-wash services, undersealing, polishing and waxing services, etc.; automobile emergency road services; motorcycle maintenance and repair and motorcycle body repair services including specialized breakdown services for

- motorcycles; maintenance and repair services for trailers, semi-trailers and other motor vehicles n.e.c. including motor homes, travel trailers and campers including repairs to defective parts; body repairs, etc;
- vii. scheduled, factory-recommended and preventative maintenance services and maintenance and repair of the living accommodation of motor homes, travel trailers and campers; maintenance and repair services of ships and floating platforms and structures, pleasure and sporting boats, railway and tramway locomotives and rolling stock and aircraft and aircraft engines

This service code does not include:

- rebuilt and retreaded tyres
- retail sales services of tyres, cf. 996211
- technical automobile inspection services, cf. 998346
- airport services, including minor maintenance and repair, cf. 996761

Note: The repair and maintenance services may be paid by the owner of the good being repaired or by a warranty and may include labour, parts and supplies used in providing repair or maintenance services.

998715 Maintenance and repair services of electrical household appliances

This service code includes maintenance and repair services for electrical household appliances like refrigerators and freezers, dish washing machines, clothes washing and drying machines of the household type, domestic electrical cooking and heating equipment, vacuum cleaners and other small domestic appliances and other home and garden equipment

This service code does not include:

- maintenance and repair services for televisions, radio receivers, CD players, VCRs etc., cf. 998716

998716 Maintenance and repair services of telecommunication equipment and apparatus

This service code includes maintenance and repair services of television transmitters, radio transmitters, wired and wireless telephones, pagers and fax machines including consumer electronic goods like television, radio receivers, video cassette recorders (VCR), CD players, household-type video cameras and the like but does not include repair services for electrical household appliances, cf. 998715

998717 Maintenance and repair services of commercial and industrial machinery

This service code includes maintenance and repair services of engines and turbines (except aircraft, vehicle and cycle engines), pumps and compressors, taps and valves, furnaces and furnace burners, lifting and handling equipment, non-domestic cooling and ventilation equipment, agricultural and forestry machinery, machine tools, machinery for metallurgy, machinery for mining, quarrying and construction, machinery for food, beverage and tobacco processing, machinery for textile, apparel

and leather production, machinery for paper and paperboard production, weapons and weapons systems, agricultural, forestry and garden tractors and lawnmowers, other general-purpose machinery and special-purpose machinery n.e.c.

This service code does not include:

- maintenance and repair services of domestic boilers and burners, cf. 995463 and elevators, goods lifts, escalators and moving pavements, cf. 998718

998718 Maintenance and repair services of elevators and escalators

This service code includes maintenance and repair services of elevators (lifts), goods lifts, escalators and moving pavements

998719 Maintenance and repair services of other machinery and equipment

This service code includes

- i. maintenance and repair services of medical, precision and optical instruments like irradiation, electromedical and electrotherapeutic equipment, such as magnetic resonance imaging equipment, medical ultrasound equipment, pacemakers, hearing aids, electrocardiographs, electromedical endoscopic equipment, irradiation apparatus, orthopedic and prosthetic devices, instruments and apparatus for measuring, checking, testing and navigating and other purposes such as aircraft engine instruments, automotive emissions testing equipment, meteorological instruments, physical, electrical and chemical properties testing and inspection equipment, surveying instruments, radiation detection and monitoring instruments, professional photographic, cinematographic and optical instruments;
- ii. repair, maintenance and rewinding services of electric motors, generators and transformers; maintenance and repair services of electricity distribution and control apparatus; maintenance and repair services of other electrical equipment n.e.c.; repair of fishing nets (also mending), ropes, riggings, canvas and tarps, fertilizer and chemical storage bags; repair or reconditioning of wooden pallets, shipping drums or barrels, and similar items; repair of pinball machines and other coin-operated games

99872 Repair services of other goods

998721 Repair services of footwear and leather goods

This service code includes specialized repair services of footwear, luggage and handbags

998722 Repair services of watches, clocks and jewellery

This service code includes repair and alteration services for watches, clocks and jewellery

998723 Repair services of garments and household textiles

This service code includes invisible mending, repair or renovation of used textile garments

998724 Repair services of furniture

This service code includes reupholstering, refinishing, repairing and restoring of furniture and home furnishings

998725 Repair services of bicycle

This service code includes repair services of bicycles

998726 Maintenance and repair services of musical instruments

This service code includes maintenance and repair services of musical instruments, piano-tuning services and tuning services for other musical instruments, restoring of organs and other historical musical instruments

998725 Repair services for photographic equipment and cameras

This service code includes repair services for photographic equipment and cameras

998729 Maintenance and repair services of other goods n.e.c.

This service code includes repair services for household articles and equipment, not elsewhere classified, e.g., articles for lighting and other personal and household goods, repair services for articles for sport and camping, "While-you-wait" services such as cutting of keys, fitting of heels, plastic coating of identity cards etc.

99873 Installation services (other than construction)

This group includes physical placement, configuration, set-up, calibration and testing of proper operation of various types of machinery and equipment

998731 Installation services of fabricated metal products, except machinery and equipment

This service code includes installation of fabricated metal products, such as reservoirs, tanks, steam generators etc

998732 Installation services of industrial, manufacturing and service industry machinery and equipment

This service code includes installation of machinery used in agriculture, such as milking machines, machinery used in mining, such as machinery for sorting, separating, washing or crushing of stone and ores, machinery used in manufacturing, such as machinery for food production, textile production, paper production, plastic and rubber production, machinery for working on wood or metals and installation of industrial process control equipment, machinery used in service

industries, such as machinery for restaurants and machinery and equipment for retail stores (except cash registers etc.)

998733 Installation services of office and accounting machinery and computers

This service code includes installation of computer hardware of mainframe and similar computers, personal computers and peripheral equipment and software, cash registers, point-of-sale terminals, ATMs and ticket-issuing machines, but does not include installation of telecommunication and electrical wiring, cf. 995461

998734 Installation services of radio, television and communications equipment and apparatus

This service code includes installation of television and radio transmitters, telephone sets, video and sound recording apparatus

998735 Installation services of professional medical machinery and equipment, and precision and optical instruments

This service code includes installation of X-ray machines, electro-diagnostic apparatus, sterilizers, cinematographic projectors, binoculars and telescopes

998736 Installation services of electrical machinery and apparatus n.e.c.

This service code includes installation of electric motors, generators and transformers and electrical machinery not elsewhere classified

998739 Installation services of other goods n.e.c.

This service code includes installation of home theatre systems and other consumer electronics, household goods, and goods not elsewhere classified

9988 Manufacturing services on physical inputs owned by others

The services included under Heading 9988 are performed on physical inputs owned by units other than the units providing the service. As such, they are characterized as outsourced portions of a manufacturing process or a complete outsourced manufacturing process. Since this Heading covers manufacturing services, the output is not owned by the unit providing this service. Therefore, the value of the services in this Heading is based on the service fee paid, not the value of the goods manufactured.

99881 Food, beverage and tobacco manufacturing services

998811 Meat processing services

998812 Fish processing services

998813 Fruit and vegetables processing services

998814 Vegetable and animal oil and fat manufacturing services

998815 Dairy product manufacturing services

998816 Other food product manufacturing services

This service code includes grain mill product manufacturing services, starch and starch product manufacturing services, bakery product manufacturing services, sugar manufacturing services, cocoa, chocolate and sugar confectionery manufacturing services, macaroni, noodles, couscous and similar farinaceous products manufacturing services, prepared meals and dishes manufacturing services and other food product manufacturing services n.e.c.

998817 Prepared animal feeds manufacturing services

998818 Beverage manufacturing services

This service code includes distilled alcoholic beverage manufacturing services, wine manufacturing services, malt and malt liquor manufacturing services, and soft drink manufacturing services

998819 Tobacco manufacturing services

99882 Textile, wearing apparel and leather manufacturing services

998821 Textile manufacturing services

This service code includes textile fibre manufacturing services, textile weaving services, textile finishing services, knitted and crocheted fabric manufacturing services, made-up textile article manufacturing services, carpet and rug manufacturing services, cordage, rope, twine and netting manufacturing services and other textile manufacturing services n.e.c.

998822 Wearing apparel manufacturing services

This service code includes fur apparel manufacturing services, other than fur apparel manufacturing services, and knitted and crocheted apparel manufacturing services

998823 Leather and leather product manufacturing services

This service code includes leather tanning and dressing services; fur dressing and dyeing services, luggage manufacturing services and footwear manufacturing services

99883 Wood and paper manufacturing services

998831 Wood and wood product manufacturing services

This service code includes wood manufacturing services, veneer sheet and wood panel manufacturing services, carpentry manufacturing services, wooden containers manufacturing services and other wood product manufacturing services

998832 Paper and paper product manufacturing services

This service code includes pulp, paper and paperboard manufacturing services, corrugated paper and paperboard manufacturing services and other paper article manufacturing services

99884 Petroleum, chemical and pharmaceutical product manufacturing services

998841 Coke and refined petroleum product manufacturing services

This service code includes coke oven products manufacturing services and refined petroleum products manufacturing services.

998842 Chemical product manufacturing services

This service code includes basic chemicals manufacturing services, fertilizer manufacturing services, agrochemical product manufacturing services, paint manufacturing services, soap, detergents, cleaning preparation and perfume manufacturing services, man-made fibre manufacturing services and other chemical products manufacturing services n.e.c.

998843 Pharmaceutical product manufacturing services

99885 Rubber, plastic and other non-metallic mineral product manufacturing services

998851 Rubber product manufacturing services

This includes tyre manufacturing services and other rubber product manufacturing services

998852 Plastic product manufacturing services

998853 Other non-metallic mineral product manufacturing services

This service code includes glass manufacturing services, refractory product manufacturing services, clay building material manufacturing services, porcelain and ceramic product manufacturing services, cement, lime and plaster manufacturing services, concrete, cement and plaster article manufacturing services, stone cutting, shaping and finishing services, other non-metallic mineral product manufacturing services n.e.c.

99886 Basic metal manufacturing services

998861 Basic metal manufacturing services

This service code includes basic iron and steel manufacturing services and basic precious and other non-ferrous metal manufacturing services

99887 Fabricated metal product, machinery and equipment manufacturing services

998871 Structural metal product, tank, reservoir and steam generator manufacturing services

This service code includes structural metal product manufacturing services, tank, reservoir and metal container manufacturing services and steam generator manufacturing services.

998872 Weapon and ammunition manufacturing services

998873 Other fabricated metal product manufacturing and metal treatment services

This service code includes metal treatment and coating services, general machining services, cutlery, hand tool and general hardware manufacturing services and other fabricated metal product manufacturing services n.e.c.

998874 Computer, electronic and optical product manufacturing services

This service code includes electronic component and board manufacturing services, computer and peripheral equipment manufacturing services, communication equipment manufacturing services, consumer electronics manufacturing services, measuring, testing, navigating and control equipment manufacturing services, watch and clock manufacturing services, irradiation, electromedical and electrotherapeutic equipment manufacturing services, optical instrument and photographic equipment manufacturing services, and magnetic and optical media manufacturing services

998875 Electrical equipment manufacturing services

This service code includes electric motor, generator, transformer and electricity distribution and control apparatus manufacturing services, battery and accumulator manufacturing services, fibre optic cable manufacturing services, other electronic and electric wire and cable manufacturing services, wiring device manufacturing services, electric lighting equipment manufacturing services, domestic appliance manufacturing services and other electrical equipment manufacturing services.

998876 General-purpose machinery manufacturing services

This service code includes engines and turbine manufacturing services, fluid power equipment manufacturing services, other pump, compressor, tap and valve manufacturing services, bearing, gear, gearing and driving element manufacturing services, oven, furnace and furnace burner manufacturing services, lifting and handling equipment manufacturing services, office machinery and equipment (except computers and peripheral equipment) manufacturing services, power-driven hand tool manufacturing services and other general-purpose machinery manufacturing services

998877 Special-purpose machinery manufacturing services

This service code includes agricultural and forestry machinery manufacturing services, metal-forming machinery and machine tools manufacturing services, metallurgy machinery manufacturing services, mining, quarrying and construction machinery manufacturing services, food, beverage and tobacco processing machinery manufacturing services, textile, apparel and leather production machinery manufacturing services and other special-purpose machinery manufacturing services

99888 Transport equipment manufacturing services

998881 Motor vehicle and trailer manufacturing services

This service code includes motor vehicle manufacturing services, trailers and semi-trailer manufacturing services and motor vehicle parts and accessories manufacturing services

998882 Other transport equipment manufacturing services

This service code includes Ship building services, pleasure and sporting boat manufacturing services, railway locomotive and rolling stock manufacturing services, air and spacecraft manufacturing services, military fighting vehicle manufacturing services, motorcycle manufacturing services, bicycles and invalid carriage manufacturing services and other transport equipment manufacturing services n.e.c.

99889 Other manufacturing services

- 998891 Furniture manufacturing services**
- 998892 Jewellery manufacturing services**
- 998893 Imitation jewellery manufacturing services**
- 998894 Musical instrument manufacturing services**
- 998895 Sports goods manufacturing services**
- 998896 Game and toy manufacturing services**
- 998897 Medical and dental instrument and supply manufacturing services**
- 998899 Other manufacturing services n.e.c.**

9989 Other manufacturing services; publishing, printing and reproduction services; materials recovery services

99891 Publishing, printing and reproduction services

This group includes transfer of intangible inputs, rather than physical inputs, when outsourcing (parts or all) of the production process. The units providing the service do not own or retain usage rights to the intangible inputs. This includes publishing of printed matter, software, etc. on a fee of contract basis.

998911 Publishing, on a fee or contract basis

This service code includes publishing, on a fee or contract basis, of printed matter, software etc.

998912 Printing and reproduction services of recorded media, on a fee or contract basis

This service code includes newspaper and book printing services, printing services directly onto plastic, glass, metal, wood or ceramics and other printing services n.e.c. This also includes services as

- i. those related to bookbinding, folding, assembling, stitching, gluing, collating, basting, adhesive-binding, trimming, gold stamping services;
- ii. other book finishing services such as folding, cutting, stamping, drilling, punching, perforating, embossing, sticking, gluing and laminating;
- iii. services of processing matrices, films, bromide prints or electronic data in order to generate original texts to be reproduced (composition, photo composition, plate-making);
- iv. services combining text and image techniques for making a reproducible original; production services of other reprographic products such as overhead projection foils, sketches, layouts, dummies;
- v. preparation services of digital data, e.g., enhancement, selection, linkage of digital data stored on EDP data carriers; other graphic service activities related to printing; rebinding services

This service code also includes

- i. reproduction services from master copies of gramophone records, compact discs and tapes with music or other sound recordings;
- ii. reproduction services from master copies of videotapes, laser discs, DVD or other media with motion pictures and other video recordings;
- iii. reproduction services from master copies of software and data on all kind of disks, tapes, cartridges and other media

This service code does not include:

- colour printing of images from film or digital media, cf. 998386
- audio and video production services, cf. 999613

99892 Moulding, pressing, stamping, extruding and similar plastic manufacturing services

998921 Moulding, pressing, stamping, extruding and similar plastic manufacturing services

This service code includes manufacturing services of plastic parts by plasticization processes (whether or not including reinforcing elements of glass fibre, carbon fibre or similar materials) or by working on hard plastics for third parties in accordance with their specifications

Note: The resulting intermediate plastic products are typically not identifiable in the Harmonized Commodity Description and Coding System based on their future use and includes moulded or heat-moulded parts of thermoplastic or thermosetting materials, vacuum plating of plastic objects, parts of cellular, stratified or reinforced plastic materials, moulded plastic parts with fibre core, and plastic parts, rolled, calendered, extruded etc.

99893 Casting, forging, stamping and similar metal manufacturing service

998931 Iron and steel casting services

This service code includes iron and steel casting services such as of malleable cast iron, spheroidal cast iron, grey cast iron and steel

Note: The resulting intermediate iron and steel casting products are typically not identifiable in the Harmonized Commodity Description and Coding System based on their future use.

998932 Non-ferrous metal casting services

This service code includes casting services of light metals and other non-ferrous metals

Note: The resulting intermediate casting products are typically not identifiable in the Harmonized Commodity Description and Coding System based on their future use.

998933 Metal forging, pressing, stamping, roll forming and powder metallurgy services

This service code includes metal forging services, cold extrusion or roll-forming services, non-ferrous metal stamping services from drawings, metal roll-forming services, cutting and stamping, from drawings; manufacturing services of metal objects, directly from metal powders, by heat treatment (sintering) or pressure

Note: The resulting intermediate metal products are typically not identifiable in the Harmonized Commodity Description and Coding System based on their future use.

99894 Materials recovery (recycling) services, on a fee or contract basis

998941 Metal waste and scrap recovery (recycling) services, on a fee or contract basis

This service code includes processing services of metal waste and scrap and of metal articles, whether or not used, into secondary raw material. Typical input consists of waste and scrap being sorted or unsorted but always unfit for further direct use in an industrial process, whereas the output is made fit for further processing and is to be considered then as an intermediate good. A process is required, either mechanical or chemical like

- i. mechanical crushing of metal waste such as used cars, washing machines, bikes, etc., with subsequent sorting and separation;
- ii. mechanical reduction of large iron pieces such as railway wagons;
- iii. stripping of used goods such as cars in order to obtain reusable parts;
- iv. stripping of used goods such as cars or refrigerators to strip them of harmful waste (oil, cooling liquid, fuel, etc.)

This service code does not include:

- wholesale trade services in waste and scrap including collecting, sorting, packing, dealing, etc. without a transformation process, cf. 996111
- reprocessing services of depleted thorium or uranium, cf. 998842

998942 Non-metal waste and scrap recovery (recycling) services, on a fee or contract basis

This service code includes processing services of non-metal waste and scrap and of non-metal articles, whether or not used, into secondary raw material. Typical input consists of waste and scrap being sorted or unsorted but always unfit for further direct use in an industrial process, whereas the output is made fit for further processing and is to be considered then as an intermediate good. A process is required, either mechanical or chemical like

- i. reclaiming of rubber such as used tires to produce secondary raw material; sorting and pelleting of plastics to produce secondary raw material for tubes, flower pots, pallets and the like;
- ii. reclaiming of chemicals from chemical waste;
- iii. crushing, cleaning and sorting of glass;
- iv. crushing, cleaning and sorting of other waste such as demolition waste to obtain secondary raw material

This service code does not include:

- wholesale trade services in waste and scrap including collecting, sorting, packing, dealing, etc. without an industrial process, cf. 996111

9991 Public administration and other services provided to the community as a whole; compulsory social security services

99911 Administrative services of the government

999111 Overall Government public services

This service code includes:

- executive and legislative administration services of central, regional and local bodies
- wide range of public services related to financial and fiscal affairs
- administrative and supervisory services related to financial and fiscal affairs
- operational services related to taxation schemes
- duty and tax collection on goods
- tax violation investigation services
- management of public funds and public debt
- administrative and operational services related to overall economic and social planning
- services provided by planning and statistical offices undertaken at the different levels of government
- services by other government offices, bureau or program units which formulate, co-ordinate and frequently monitor the implementation of overall economic and social plans and program
- administrative services provided by government offices, bureau, program units, etc., involved in the funding or conduct of research and development in the natural sciences, the social sciences and humanities and multidisciplinary research and development
- administrative, operational and support services related to government (public) affairs that cannot be assigned to one of the four previous categories
- services provided by program units dealing with non-self-governing and trust territory affairs
- services provided by program units administering elections

999112 Public administrative services related to the provision of educational, health care, cultural and other social services, excluding social security service.

This service code includes:

- public administrative services related to different educational institutions
- public administrative services related to the management, operation, inspection and support of all types of schools and other educational institutions

- iii. public information services concerning the educational system in general, provided by government departments or special programme units
- iv. public administrative services related to all kinds of health and social services
- v. public administrative services related to the management, operation, inspection and support of general and specialized medical or dental hospitals and clinics, as well as nursing and convalescent homes
- vi. public administrative services related to the administration, management, operation and support involving public health matters, such as blood bank operation, disease detection and prevention, management of drug quality programmes, birth control services, etc. These services are frequently provided by special teams or individual health professionals not connected with a hospital, clinic or practitioner.
- vii. public administrative services related to housing and overall community development, water supply, sanitation and street lighting
- viii. public administrative services related to the development, monitoring and evaluation of housing and housing standards (other than construction standards)
- ix. public administrative services related to rent control and eligibility standards for state-subsidized housing
- x. public administrative services related to housing for the general public or for people with special needs
- xi. dissemination of public information about housing
- xii. services provided by government offices, bureaux, departments and programme units involved in developing and administering regulations concerning water supply
- xiii. public administrative services related to refuse collection and disposal, sewage system operation and street cleaning
- xiv. public administrative services related to pollution standards, including the dissemination of information regarding pollution
- xv. public administrative services related to cultural facility support and individual artists and organizations engaged in promoting cultural activities
- xvi. public administrative services related to national, regional or local festivities and the maintenance and running of religious institutions

999113 Public administrative services related to the more efficient operation of business.

This service code includes:

- i. public administrative services related to agricultural land management, agrarian reform and land settlement, stabilization of agrarian markets, veterinary affairs, pest control, forestry, fishing and hunting affairs, agricultural research and experimental development
- ii. administrative services provided by government offices, bureaux and programme units concerning conservation of farmland, land reclamation, land improvement and expansion, supply of veterinary services to farms, eradication or control of pests, vermin, plant diseases or other destructive agents, crop inspection and grading

- iii. public administrative services related to regulations governing forest operations, issuing of tree-felling licences, rationalization of forest resources, exploitation, reforestation work, operation and support of game preserves and fish hatcheries, development and monitoring of regulations, including the licensing of fishing and hunting
- iv. support and information services for all the above-mentioned affairs
- v. administrative services provided by government offices, bureaux and programme units concerning solid fuel, including regulations concerning their exploitation or conservation; petroleum and natural gas; mineral fuel; nuclear and non-commercial fuel, including such fuels as alcohol, wood and wood waste, etc.
- vi. support and information services for the above-mentioned affairs
- vii. administrative services provided by government offices, bureaux and programme units concerning discovery, exploitation, conservation, marketing and other aspects of mineral production, including the development and monitoring of regulations concerning prospecting; mining and safety standards; activities designed to develop, expand and improve the position of manufacturing establishments; development and administration of regulations concerning building standards and issuing of occupation certificates; development and monitoring of regulations concerning safety on construction sites
- viii. support and information services for the above-mentioned affairs
- ix. public administrative services related to road and water transport, railway and air transport and communications
- x. administrative services provided by government offices, bureaux and programme units concerning planning, design, construction, maintenance and improvement of roads, highways and associated structures, roadbeds and associated structures, water transport facilities; railways; airport runways, terminals, hangars, air navigation aids;
- xi. other fixed structures and equipment associated with air transport, pipelines and other facilities
- xii. supervision and regulation of such work and development and administration of operational regulations for all the above-mentioned means of transport and related equipment
- xiii. public administrative services related to communications, i.e. postal, telephone, telegraph, cable and wireless communications systems and communications satellites
- xiv. public administrative services related to planning, development, functioning and improvement of communications systems
- xv. public administrative services related to the development and administration of regulations for these systems
- xvi. support and information services for the above-mentioned affairs
- xvii. public administrative services related to the distributive trades, storage and warehousing and hotels and restaurants
- xviii. administrative services provided by government offices, bureaux and programme units concerning development and monitoring of regulations concerning wholesale and retail trade, consumer protection, price control and rationing schemes operating through retailers or wholesalers, storage and warehousing, hotel and restaurant operation
- xix. public administrative services concerning the design and construction of restaurants, hotels and other accommodation

- xx. support and information services for the above-mentioned affairs
- xxi. public administrative services related to tourism and tourism promotion
- xxii. administrative services provided by government offices, bureaux and programme units concerning advertising campaigns, dissemination of tourism information, other tourist support services
- xxiii. administrative services provided by government offices, bureaux and programme units concerning the planning, design, construction, improvement and operation of multipurpose projects. Such projects typically consist of integrated facilities for power generation, flood control, irrigation, navigation and recreation.
- xxiv. support and information services for the above-mentioned affairs
- xxv. administrative services provided by government offices, bureaux and programme units involving formulation of general economic policies, regulation or support of general economic activities, such as export and import trade as a whole, commodity and equity markets, overall income controls, general trade promotion activities, general regulation of monopolies and other restraints on trade and market entry, regulation, licensing and inspection of miscellaneous commercial services
- xxvi. public administrative services related to the operation of patent, trademark and copyright offices, weather forecasting institutions, standardization institutions and similar institutions
- xxvii. public administrative services related to the formulation and implementation of general labour policies and regulations, such as labour conditions; the operation of labour exchanges; the implementation of national and regional development policy measures to reduce unemployment and to stimulate labour mobility

This service code does not include:

- public administrative services related to mineral fuel, cf. 999113
- police traffic-control services on roads and waterways, cf. 999126
- tourism promotion services, cf. 998557
- visitor information services, cf. 998557

999119 Other administrative services of the government n.e.c.

This service code includes:

- i. public administrative and operational services for general personnel affairs, whether or not connected with a specific function
- ii. public administrative services related to the development and implementation of general personnel policies and procedures, concerning selection and promotion, rating methods, job descriptions, evaluation and classification, administration of civil service regulations and similar matters
- iii. other administrative services of the government, other than those specified elsewhere.

99912 Public administrative services provided to the community as a whole

999121 Public administrative services related to external affairs, diplomatic and consular services abroad.

This service code includes:

- i. public administrative and operational services related to ministries of foreign affairs and diplomatic and consular missions stationed abroad or to offices of international organizations
- ii. public administrative, operational and support services related to information and cultural services intended for distribution beyond national boundaries, including libraries, reading rooms and reference services located abroad

999122 Services related to foreign economic aid

This service code includes:

- i. public administrative services related to economic aid to developing countries, whether or not routed through international organizations
- ii. administrative services provided by government offices, bureaux and programme units for non- military aid programmes to developing countries
- iii. provision of or support for technical assistance and training
- iv. international assistance such as refugee or hunger relief programme
- v. economic aid missions accredited to foreign governments

999123 Services related to foreign military aid

This service code includes:

- i. administrative services by government offices, bureaux and programme units concerning military aid missions accredited to foreign governments or attached to international military organizations or alliances
- ii. public administrative services related to grants and loans for military aid
- iii. public administrative services related to contributions to international peacekeeping forces, including the assignment of manpower

999124 Military defence services

This service code includes

- i. administrative, operational and supervisory services related to military defence and forces: land, sea, air and space defence forces;
- ii. military engineering, transport, communications;
- iii. military intelligence; material, personnel, and other non-combat forces and commands;
- iv. reserve and auxiliary forces attached to the department of defence;
- v. services related to the provision of equipment, structures, supplies, etc., plus health services for military personnel in the field administrative and support services related to defence-related applied research and experimental development.

999125 Civil defence services

This service code includes:

- i. administrative, operational and support services related to civil defence forces
- ii. support services related to the drawing up of contingency plans for dealing with national emergencies

- iii. carrying out emergency preparedness exercises involving civilian institutions and populations
